RE: U.S. Patent Application for "DATA STORAGE OPTIMIZATION
METHOD" Docket No.: P614, Serial No. 08/480,618.

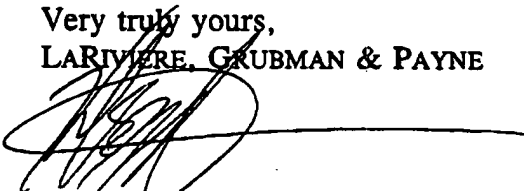

Dear Ms. Day:

Transmitted herewith are the documents we discussed today relating to the referenced matter. You will see that the response to the Notice to File Missing Parts dated 8/14/95 was filed on September 14, 1995. The response included the form, check number 1832 in the amount of \$860.00, and the inventor's declaration and power of attorney.

The response was made by "Express Mail Post Office to Addressee" service under 37 C.F.R. 1.110 on September 14, 1995, as demonstrated by the attached copies of the transmittal letter, the Express Mail receipt and the check. The check was cashed by the USPTO as evidenced by the endorsement shown on the back of the check, as shown on the copy thereof.

We believe that the enclosed documents clearly show that a response to the Notice to File Missing Parts was timely filed, and that the response was received by the Patent Office. Please vacate the abandonment of the application and pass the case to the proper examining group. Should you have any questions relating to this matter, please telephone the undersigned. Your assistance in this matter is sincerely appreciated.

Very truly yours,
LARIVIERE, GRUBMAN & PAYNE
